The agents then entered into the parking lot at Sycamore Drive and Olive Street. Once in the parking lot, the agents approached a subject, later identified as (b)(6) &amp; (b)(7)(c) sitting in his car, and attempted to conduct a consensual encounter. As the agents attempted to identify themselves, (b)(6) &amp; (b)(7)(c) accelerated away from the agents. The agents followed the vehicle until he stopped about 20 feet away from his original location in the same parking lot. At that time Agent (b)(6) &amp; (b)(7)(c) exited the marked service sedan and approached the driver of the stopped vehicle. As Agent (b)(6) &amp; (b)(7)(c) was approaching the vehicle, (b)(6) &amp; (b)(7)(c) again accelerated and swerved aggressively in a direction towards Agent (b)(6) &amp; (b)(7)(c), as if attempting to strike Agent (b)(6) &amp; (b)(7)(c) with his vehicle. As Agent (b)(6) &amp; (b)(7)(c) jumped out of the way to avoid being hit by (b)(6) &amp; (b)(7)(c)'s vehicle, his first reaction was to unholster and expand his service issued Collapsible Steel Baton (CSB). Agent (b)(6) &amp; (b)(7)(c) struck the vehicle with his CSB as he was attempting avoid being hit by the vehicle. As a result, the rear window was broken. (b)(6) &amp; (b)(7)(c) continued to accelerate away from the agents. The agents then in an attempt to deescalate the situation, met the vehicle at the exit route of the parking lot. (b)(6) &amp; (b)(7)(c) again tried to avoid apprehension by putting his car in reverse and using an alternate exit of the parking lot. The vehicle was able to exit the parking lot and traveled westbound onto Sycamore.</p> <p>At 7:04 am, the agents activated their lights and sirens on the marked sedan in an attempt to stop the vehicle. The agents contacted Border Patrol Dispatch (b)(7)(E) to advise them of the vehicle failing to yield to the agents. From Sycamore, (b)(6) &amp; (b)(7)(c) turned north onto Olive and the westbound onto Twin Oaks Valley Road. At that time all roads were dry and clear, and traffic was light. The agents continued to pursue the vehicle at approximately 60 miles per hour on Twin Oaks Valley until reaching Legacy Drive. At Legacy Drive, (b)(6) &amp; (b)(7)(c) made a U-Turn and began heading east bound on Twin Oaks Valley Road. At 7:07 am, the agents again advised (b)(7)(E) of their status on the Failure to Yield. The agents continued pursuing (b)(6) &amp; (b)(7)(c) eastbound on Twin Oaks Valley Road at approximately 35 mph. At 7:08 am, the vehicle yielded at Twin Oaks Elementary School which was at the corner of Cassou Road and Twin Oaks Valley Road. At that time school was not in session nor were any children or people present.</p> <p>(b)(6) &amp; (b)(7)(c) pulled into a parking spot, immediately turned off his vehicle, and raised his hands into the air. At 7:09 the agents advised (b)(7)(E) of the vehicle yielding and the location, and that the driver was no longer attempting to evade apprehension. The agents approached the vehicle and again identified themselves as Border Patrol Agents. (b)(6) &amp; (b)(7)(c) was questioned and freely admitted to being a citizen of Mexico without proper immigration documents to remain in the country legally. (b)(6) &amp; (b)(7)(c) also was questioned and admitted to have entered into the United States at a place other than a designated port of entry. of Responsibility. At approximately 6:30 a.m., Agent (b)(6) & (b)(7)(c) and I were traveling southbound on Sandia Creek near Fallbrook, CA in a fully marked Border Patrol sedan.		
At approximately 6:45 a.m., Agent (b)(6) & (b)(7)(c) and I noticed a green Nissan Sentra (CA# (b)(6) & (b)(7)(c)) pass by our location traveling northbound on Sandia Creek. We observed three male subjects inside the vehicle and it appeared that the subject sitting in the rear passenger seat was trying to conceal himself from being seen. (b)(7)(E)		
(b)(7)(E)		
(b)(7)(E) I quickly turned our vehicle around and began to catch up to the green Nissan to get a better look. After realizing that Agent (b)(6) & (b)(7)(c) and I were closing in and following their vehicle, the driver, later identified as (b)(6) & (b)(7)(c) immediately began to increase his speed. While still traveling northbound on Sandia Creek, I was able to read and call in the vehicle's license plate for a registration check. (b)(7)(E)		
(b)(7)(E), (b)(6) & (b)(7)(c) Shortly after receiving the registration information, the vehicle made a quick turn and proceeded to accelerate at a high rate of speed. Agent (b)(6) & (b)(7)(c) and I gave chase without activating our emergency equipment but we were unable to keep up with the vehicle. After several minutes had passed, we came up upon the vehicle on Daily Road which had gotten stuck behind a school bus. Once the vehicle realized we were once again behind it, (b)(6) & (b)(7)(c) decided to pull into a driveway and all three occupants bailed out of the vehicle. Agent (b)(6) & (b)(7)(c) & I both chased (b)(6) & (b)(7)(c) on foot and eventually apprehended him. The two other subjects who absconded from the vehicle got away and were never found. When finally apprehended, (b)(6) & (b)(7)(c) was questioned as to his citizenship. (b)(6) & (b)(7)(c) freely stated that he was a citizen and national of Mexico. (b)(6) & (b)(7)(c) further stated to have entered the United States illegally near Nogales, AZ. approximately three years ago, and did not possess any proper documentation affording him the right to remain in the United States. (b)(6) & (b)(7)(c) was then arrested and transported to the Murrieta / Newton-Azrak Border Patrol Station for further processing. The vehicle was towed by Steve's Towing (DHS Service Form I-43 on file).		
At the station, (b)(6) & (b)(7)(c) was asked a second time as to his citizenship. (b)(6) & (b)(7)(c) freely admitted to being a citizen and national of Mexico, as well as being in the United States illegally without having proper or valid immigration documents. During processing, a set of fingerprints were taken from (b)(6) & (b)(7)(c) and were submitted into the (b)(7)(E) System. (b)(7)(E)

duties along the Sandia Creek and De Luz corridors. The agents parked their service vehicle near Sandia Creek Road and Rock Mountain Road. (b)(7)(E) (b)(7)(E)		
<p>At approximately 7:00 am the agents observed a vehicle with two occupants traveling northbound on Sandia Creek Road. Upon noticing the uniformed agents, the subjects became very nervous. The subjects immediately looked in the opposite direction and acted as if never seeing the Border Patrol Agents. The agents then proceeded to follow for further observation as the vehicle turned onto Rock Mountain Road. As the agents followed, the subjects driving habits noticeably changed. The speed of the vehicle decreased from 45 to 25 miles per hour when the occupants noticed the marked unit behind them. This action is common among illegal immigrants and their smugglers in the presence of the Border Patrol. The agents then performed a vehicle stop on to conduct an immigration inspection on the occupants. The agents made contact with the occupants and then identified themselves as Border Patrol Agents. The agents questioned all subjects as to their citizenship and the passenger freely admitted to being a citizen and national of Guatemala illegally present in the United States. The driver was a United States Citizen with proper identification. The subject was questioned and freely stated to have crossed illegally and not be in possession of proper immigration documents. Agents (b)(6) (b)(7)(C) then pulled into traffic along Highway I-15 and pulled behind the vehicle to gain a better view of the occupants. The Agents pulled along the passenger's side window and noticed both occupants refused to make eye contact with the Border Patrol Agents. At this point the Ford slowed down immensely in an attempt to create distance from the marked Border Patrol sedan. The Ford was now traveling considerably slower than the flow of traffic. Agents (b)(6) (b)(7)(C) (b)(6) (b)(7)(C) recognized these behavioral indicators as common amongst aliens present in the United States illegally. The Agents mirrored the Ford, still monitoring the occupants's unusual behavior. While being paced by the Border Patrol Agents, the occupants continued to stare straight forward, refusing to acknowledge that the Agents had been pacing the vehicle for some time. Based on their prior training and experience, Agents (b)(6) (b)(7)(C) became suspicious the occupants were in violation of immigration law. The Agents slowed their sedan and pulled behind the Ford, in order to run records checks on the license plate. At this point Agent (b)(6) (b)(7)(C) requested through Murrieta Border Patrol Station Communications Office (b)(7)(E) Dispatch) that the displayed California plate, (b)(6) (b)(7)(C) be checked through Department of Homeland Security (DHS) records database. <p>On September 8, 2011, Border Patrol Agents (b)(6) (b)(7)(C) were assigned roving patrol duties near Winchester Road and Jefferson Street in Temecula, California. The agents were observing traffic on Winchester east of Jefferson. (b) (7)(E)</p> <p>At approximately 7:00 am the agents observed a vehicle with five occupants traveling eastbound on Rancho California Road. Upon noticing the uniformed agents, the subjects appeared to become very nervous. The subjects immediately looked in the opposite direction and acted as if never seeing the Border Patrol Agents. The agents proceeded to follow the vehicle for further inspection. As the agents followed the vehicle, the subjects driving habits noticeably changed. The vehicle came to an abrupt stop and immediately turned at Nicholas Road, as if to try and evade the marked unit. This action is common among illegal immigrants and their smugglers in the presence of the Border Patrol. The agents then initiated a traffic stop to conduct an immigration inspection. The agents questioned all subjects as to their citizenship. One subject was a United States Citizen with a valid US Passport. All other subjects freely stated to being citizens of Mexico. All subjects were questioned and admitted of not having any immigration documents to remain in the country legally and to have crossed at a place other than a designated port of entry. All were brought back to the Murrieta Border Patrol Station for Processing. The United States Citizen was released with the vehicle at the owners request.</p> <p>Once the agents arrived at the station, (b)(6) (b)(7)(C) was again questioned and admitted to being a Mexican citizen without proper immigration documents to remain here legally.</p> <p>Also at the station, as a routine step in processing, (b)(6) (b)(7)(C) photograph, biographical, and biometric information was entered into processing systems. <p>and safety equipment visible to the motoring public.</p> <p>Observation</p> <p>At approximately 9:05 a.m., the Agents were driving south on Old Stage when they noticed a white pick-up truck stopped at a stop sign, at the Clemmens avenue intersection. As the Agents passed the vehicle, they noticed it appeared to be waiting to turn south on Old Stage with its right turn signal on. Once the Agents passed the vehicle, it suddenly made a left turn, heading north, contrary to what the turn signal originally displayed. It is common for aliens present in the United States illegally to make sudden turns, in an attempt to create distance from law enforcement officers. The Agents then made a U-turn, in order to further observe the occupants unusual behavior. At this point Agent (b)(6) &amp; (b)(7)(c) and (b)(6) &amp; (b)(7)(c) noticed the driver moved his arms from a relaxed position at the bottom of the steering wheel, to a firm grip at the ten'o clock and two o'clock position, maintaining a statuesque position, upon noticing the marked service sedan. Agents (b)(6) &amp; (b)(7)(c) recognized these behavioral indicators as common amongst aliens present in the United States illegally. While being followed by the marked Border Patrol Sedan, the driver continued to stare straight forward, refusing to acknowledge that the Agents had been following his vehicle for some time. At this point the vehicle began to drift from on side of the lane to the other. This behavior is common among subjects engaged in criminal activity due to the fact that they are preoccupied with the position of the law enforcement vehicle, and are not paying attention to the road ahead. Agents (b)(6) &amp; (b)(7)(c) became suspicious the occupants were in violation of immigration law.</p> <p>Suspecting the occupants of the vehicle were in violation of immigration law, the agents activated the sedan's emergency lights in order to conduct a vehicle stop on the Chevrolet. The vehicle yielded, as it turned onto Pippind dr in the city of Fallbrook, Ca.</p> <p>Interview/Arrest:</p> <p>As the Agents exited their service vehicle, the driver of the truck opened his door and attempted to abscond on foot. Both Agent (b)(6) &amp; (b)(7)(c) and Agent (b)(6) &amp; (b)(7)(c) gave chase after the individual on foot. While on foot, Agent (b)(6) &amp; (b)(7)(c) looked back to see the passenger of the truck absconding on foot as well. At this point Agent (b)(6) &amp; (b)(7)(c) turned around and gave chase after the passenger, eventually placing him under arrest for being the in the United States Illegally. While Agent (b)(6) &amp; (b)(7)(c) was on foot Agent (b)(6) &amp; (b)(7)(c) was able to reach the driver of the vehicle, and as he attempted to place the subject under restraints the subject became combative towards Agent (b)(6) &amp; (b)(7)(c). Agent (b)(6) &amp; (b)(7)(c) Gave the subject multiple verbal commands to "Stop Resisting" as well as "Place your hands behind your back" to which the subject did not comply. Agent (b)(6) &amp; (b)(7)(c) wrestled the subject to ground multiple times, however the subject was able to break free and abscond to a near by residential back yard. At this point Agent (b)(6) &amp; (b)(7)(c) radioed for Agent (b)(6) &amp; (b)(7)(c) to responded. Once on scene the Agents received a call from dispatch stating a citizen had seen the subject hiding in his neighbor's backyard. Agents (b)(6) &amp; (b)(7)(c) were assigned a fully operational service sedan with all lights and safety equipment visible to the motoring public.</p> <p>At approximately 9:00 a.m., the agents were traveling north on Stage Coach Road towards Mission Road, when they noticed a white Chevrolet pick-up truck (b)(6) &amp; (b)(7)(c) approach their position. As the vehicle passed the agents location, they noticed it contained two occupants. The driver, later identified as (b)(6) &amp; (b)(7)(c) appeared to become very rigid at the sight of the Border Patrol Agents. This nervous behavior is common among aliens present in the United States illegally. Agents (b)(6) &amp; (b)(7)(c) then pulled behind the vehicle to gain a better view of the occupants. Once the agents pulled behind the vehicle, it slowed down well below the speed of traffic and began to drift from one side of the lane to the other. This behavior is common amongst individuals involved in criminal activity, due to the fact that they are preoccupied watching the law enforcement vehicle, and are not paying attention to the road ahead. The Agents continued to follow the vehicle as it made a sudden turn on Alvarado Road and began to accelerate as though he was attempting to create distance from the marked service vehicle. Suspecting that the vehicle was in violation of immigration law, the agents activated the sedan's emergency lights in order to conduct an immigration inspection on the occupants. The vehicle yielded on Alvarado Road, near Stage Coach Road. <b>Observation:</b>  Agents (b)(6) & (b)(7)(c) were observing traffic along Old Highway 395, near Fallbrook, California. At approximately 3:07 pm, the agents observed a tan Toyota, Tacoma truck with two occupants pass the agent's marked unit. As the truck pass, the agents observed both of the occupants stiffened up their posture and the passenger tilted his head down as to prevent his face to be seen by the agents. This type of action is frequent of illegal aliens when they are startled by Border Patrol presence in that they do not want to be observed. The vehicle then slightly increased its speed to put some space between the agent's vehicle and their's. Again, this behavior is common of illegal aliens attempting to keep a distance from the observing agents. Due to these actions, the agents activated their emergency light to further investigate. The vehicle continued for a few yards before coming into a complete stop.		
<b>Contact with aliens:</b> The agents identified themselves to the occupants of the truck as United States Border Patrol and conducted immigration inspections of both occupants. During the course of the inspections, both subjects were identified as citizens and nationals of Mexico, illegally present in the United States. None of the subjects had any immigration documents that would allow them to be in or remain in the U.S. Both subjects were arrested and transported to the Murrieta station for Processing. The vehicle (CA LIC: (b)(6) & (b)(7)(c)) was towed due to the amount of equipment in the bed of the truck.		
<b>Detention and arrest:</b> At the station, the passenger was identified as (b)(6) & (b)(7)(c) (b)(6) & (b)(7)(c)'s full set of fingerprints were entered into the (b)(7)(E) system for positive identification. (b)(6) & (b)(7)(c), (b)(7)(E)

As the agents were observing traffic headed North bound, they noticed a Black Chevrolet pick-up ( ) approach their position. As the vehicle passed the agents location, the agents noticed the vehicle contained three occupants. All passengers of the vehicle appeared to become very rigid at the sight of the Border Patrol Agents. This nervous behavior is common among aliens present in the United States illegally. Agents (b)(6) &amp; (b)(7)(c) and (b)(6) &amp; (b)(7)(c) then pulled along the driver side window to gain a better view of the occupants. Once the agents pulled along the vehicle, it slowed down well below the speed of traffic. As the agents paced the vehicle, the front passenger visibly placed his hand in front of his face as though he was attempting to shield his face from the view of the agents. Suspecting that the vehicle contained illegal aliens, the agents activated the sedan's emergency lights in order to conduct an immigration inspection on the occupants. The vehicle yielded in the Albertsons parking lot on Winchester Road, just south of Murrieta Hot Springs Road. At both passengers exited the Chevrolet and attempted to abscond.</p>

<p>15. At that time, the Agents observed a truck traveling westbound with two visible male occupants. As the truck passed the Agents location both occupants appeared rigid and staring straight ahead as if they were nervous from the Agents' presence. Agents also noticed the driver making multiple lane changes as if attempting to elude the Agents marked sedan. These types of behaviors are common among illegal aliens and their smugglers upon sight of the Border Patrol. The Agents decided to follow the vehicle in order to get a second look.</p> <p>The Agents pulled in behind the vehicle and notified (b)(7)(E) Dispatch of the vehicle and their location. Dispatch notified the Agents that the truck was registered to, (b)(6) &amp; (b)(7)(c), but the following information was not heard due to bad communications. There was no female present in the vehicle and many alien smugglers commonly use vehicle's that are registered to other people. As the Agents continued to observe the vehicle, the truck made a quick and sudden maneuver where it traveled across two lanes of the road without signaling and nearly collided with a motoring sedan that was also westbound. The truck then made a quick left turn onto Riverside Street. In the Agents' experience, nervous driving behaviors are commonly found in illegal aliens and their smugglers that attempt to avoid detection and abscond from law enforcement. The Agents conducted a vehicle stop at the above intersection and the vehicle yielded without incident.</p> <p>As Agent (b)(6) &amp; (b)(7)(c) approached the vehicle, the passenger of the truck opened his door and bailed out on foot. Agent (b)(6) &amp; (b)(7)(c) gave chase and was able to apprehend the subject. Agent (b)(6) &amp; (b)(7)(c) identified himself as a United States Border Patrol Agent and conducted an immigration inspection. <p>uniform. At approximately 3:15 p.m., Agents (b)(6) &amp; (b)(7)(c) were observing northbound traffic along I-15 near the Highway 395 exit. While there, Agents (b)(6) &amp; (b)(7)(c) observed a silver Mitsubishi Gallant (CA/ (b)(6) &amp; (b)(7)(c) traveling northbound. As the vehicle passed by their stationary location, Agent (b)(6) &amp; (b)(7)(c) observed that there were four visible subjects within the vehicle. Agent (b)(6) &amp; (b)(7)(c) further observed that the driver appeared to be looking around, but the other three occupants were all sitting very still in their seats and not looking around or interacting with one another. In Agent (b)(6) &amp; (b)(7)(c)'s experience, everyday people driving in their vehicle do not act in this manner, rather, they are often involved in conversation with one another, talking or texting on their cell phones, reading, or just looking around and watching the traffic around them. However, Agent (b)(6) &amp; (b)(7)(c) has, in her experience, observed that those involved in the smuggling of illegal aliens or narcotics or those involved in illegal activity will often react in this manner to the presence of law enforcement. Those involved in the smuggling of illegal aliens or narcotics and those involved in illegal activity will often, when approached by law enforcement, sit very still in their seats, not moving or looking around or interacting with others within the same vehicle in an attempt to avoid detection and apprehension by law enforcement.</p> <p>Agents (b)(6) &amp; (b)(7)(c) elected to follow the vehicle to further observe the occupants. As Agents (b)(6) &amp; (b)(7)(c) approached the vehicle from behind in their fully marked Border Patrol sedan, Agent (b)(6) &amp; (b)(7)(c) observed that the driver began to swerve within his lane of travel coming close to entering both lanes number one and number three. Agent (b)(6) &amp; (b)(7)(c) further observed, while driving behind the vehicle, that the driver was checking his mirrors looking for the marked sedan behind him more than he was watching the road ahead of him. In Agent (b)(6) &amp; (b)(7)(c)'s experience, those involved in the smuggling of illegal aliens and narcotics will often act in this manner, attempting to keep a close watch on law enforcement around them.</p> <p>Agent (b)(6) &amp; (b)(7)(c) then positioned her fully marked sedan alongside the passengers' side of the vehicle, in an attempt to better observe the occupants. While driving alongside the vehicle, Agents (b)(6) &amp; (b)(7)(c) observed that the driver was talking in a very animated fashion to the front seat passenger. Agents (b)(6) &amp; (b)(7)(c) observed that the driver was making grandiose gestures with his hands, pointing in different directions, as if to make it appear to the outside world that he was involved in a very important conversation. Furthermore, Agents (b)(6) &amp; (b)(7)(c) observed that, while the driver was talking, the other three occupants were sitting very still in their seats, looking straight ahead, and not talking to or interacting with the driver. The front seat passenger, who was clearly visible, was shaking his head as though he was listening to what the driver was saying, but during this time he had a very frightened or fearful look on his face. It was almost as though he was awaiting some type of impending doom.</p> <p>As Agents (b)(6) &amp; (b)(7)(c) continued to follow the vehicle, they observed that the driver was continually changing his speed. When the agents first encountered the vehicle, the driver was moving with the flow of traffic; however, when the fully marked sedan was alongside the vehicle, the driver had slowed to well below the regular flow of traffic. This was clearly evident because the vehicle was traveling in lane number two, and while the marked unit was alongside the vehicle there was a great deal of traffic passing both the vehicle and Agent (b)(6) &amp; (b)(7)(c)'s marked unit in both lanes one and four. <p>involved in the smuggling of illegal aliens and narcotics will often vary their speed of travel in hopes of creating greater distance between themselves and any law enforcement around them.</p> <p>At this time, Agent (b)(6) &amp; (b)(7)(c) positioned her fully marked sedan behind the vehicle in lane number two. The driver of the vehicle then quickly moved from lane number two into lane number one. There was no reasonable explanation for this random lane change, as the driver was traveling slower than the vehicles passing by him in lane number one, and there were no slow moving vehicles ahead of him in lane number two that would have in any way hindered his travel. Smugglers of illegal aliens and narcotics will often utilize maneuvers such as this in an attempt to put greater distance between themselves and any law enforcement following them, and foil any attempts at detection and apprehension by those same law enforcement officers.</p> <p>Agent (b)(6) &amp; (b)(7)(c) then positioned her fully marked sedan behind the vehicle in lane number one. Agent (b)(6) &amp; (b)(7)(c) observed that, as they traveled in lane number one, the driver was continuously swerving within his lane of travel. During this time, Agent (b)(6) &amp; (b)(7)(c) could see that the driver was looking in his side mirror trying to find the location of the marked unit, rather than looking at the road ahead of him.</p> <p>At this time, Agent (b)(6) &amp; (b)(7)(c) relayed the vehicle information to Dispatch and initiated a vehicle stop along the I-15 northbound near the U.S. Border Patrol's I-15 Checkpoint. The vehicle yielded just south of the I-15 Checkpoint along I-15 northbound.</p> <p>Agent (b)(6) &amp; (b)(7)(c) approached the vehicle and attempted to make contact with the occupants; however, the driver would not, at first, roll down any of the windows despite several requests. Once the driver rolled down the windows, Agent (b)(6) &amp; (b)(7)(c) made contact with all four occupants. Agent (b)(6) &amp; (b)(7)(c) identified herself as a Border Patrol Agent to the occupants. Agent (b)(6) &amp; (b)(7)(c) then attempted to speak to the front seat passenger; however, the driver was continually talking in place of the passengers, as though he was trying to control what was being said. At this time, Agent (b)(6) &amp; (b)(7)(c) had the driver exit the vehicle and walk to the back where Agent (b)(6) &amp; (b)(7)(c) was standing, so that he could question the driver separate from the passengers. It should be noted that, while speaking with Agent (b)(6) &amp; (b)(7)(c) the driver was extremely agitated and could be heard yelling repeatedly at Agent (b)(6) &amp; (b)(7)(c).</p> <p>Agent (b)(6) &amp; (b)(7)(c) then began speaking again with the passengers. Through brief questioning, Agent (b)(6) &amp; (b)(7)(c) was able to determine that all three passengers were citizens and nationals of Mexico, illegally present in the United States. All three passengers readily admitted to being citizens and nationals of Mexico illegally present in the United States without any documents that would allow them to legally remain the United States. Furthermore, when asked about their destination, all three passengers stated that they were in route from Calexico, California to Los Angeles, California. All three passengers also stated, when asked about the driver, that they did not know who he was and that he was just someone who was giving them a ride.</p> <p>All three passengers were taken into custody and placed in the back of Agent (b)(6) &amp; (b)(7)(c) Border Patrol sedan.</p>

<p>Agent (b)(6) &amp; (b)(7)(c) then spoke with the driver, who stated that he worked for a company called (b)(6) &amp; (b)(7)(c) which provides temporary workers for different facilities across Southern California. The driver further stated that the other three people in the vehicle also worked for the same company and that they were all traveling together to a place up north for work. When asked the names of the other three occupants of the vehicle, the driver was not able to clearly identify any of them. During this conversation, Agent (b)(6) &amp; (b)(7)(c) observed that the driver appeared very agitated, he was unable to stand still, would not look directly at Agent (b)(6) &amp; (b)(7)(c) but was looking all around instead, and was fidgeting with his hands. In Agent (b)(6) &amp; (b)(7)(c)'s experience, those people involved in the smuggling of illegal aliens or narcotics will often act in this manner when being questioned by law enforcement due to fear of being caught.</p> <p>At this time the driver was taken into custody for violation of 8 USC 1324, Alien Smuggling.</p> <p>All four subjects along with the vehicle were transported to the Murrieta Border Patrol Station for further identification and processing.</p> <p>At the station, all four subjects' biographical and biometric information was entered into processing systems. Once we were side by side on the interstate, we noticed that both occupants appeared nervous and would not make eye-contact with us. At the time, we were traveling approximately 65 miles per hour. After slightly pulling ahead of the vehicle, we noticed that the pickup dramatically slowed down to approximately 48 miles per hour and would refuse to pass us no matter how slow we were</p>

<p>Agents passed the subject vehicle the Agents noticed that the subject was stationary on the shopping plazas driveway with no surrounding vehicle traffic to prevent him from pulling out onto State Street. Agent (b)(6) &amp; (b)(7)(c) noticed this unusual behavior and began observing the subject's actions. Agent (b)(6) &amp; (b)(7)(c) noticed that the subject began paying close attention to the Agent's marked service vehicle as if he was observing the Agent's actions. The Agent's noticed that the subject would not exit the shopping plazas driveway and at this point had created a blockage for the businesses. As Agent (b)(6) &amp; (b)(7)(c) was observing the subject he noticed that the subject began looking around nervously as if he was planning an escape route in order to evade detection by the Agents. After an unusually long period of time the Agent's noticed that subject exited the driveway and began to travel southbound on State St towards Dominigoni near the city of Hemet California. Agent (b)(6) &amp; (b)(7)(c) decided to follow the individual due to the unusual aforementioned actions. As Agent (b)(6) &amp; (b)(7)(c) placed his marked service vehicle behind the subject vehicle the subject quickly accelerated his vehicle as if in an attempt to lose the Agents. Agent (b)(6) &amp; (b)(7)(c) noticed this unusual behavior and also observed the subject nervously moving in his vehicle and utilizing his vehicles mirrors in an attempt to observe the Agents actions. At this point Agent (b)(6) &amp; (b)(7)(c) also witnessed the subject removing his safety belt as if he was preparing to abscond on foot if necessary.</p> <p>In the Agents experience this is common behavior by those individuals who attempt to avoid detection by Law Enforcement in fear that they will be arrested or deported.</p> <p>At this point the Agents attempted to conduct a vehicle stop on the intersection of State Street and Thornton near the city of Hemet California.</p> <p>The vehicle made a right turn onto Thornton and reduced his speed to approximately 5 mph. The subject continued at this speed and made a right turn onto S. Gilbert Street. At this point the subject was traveling at a low rate of speed along side of the curb as if he was attempting to locate a place to yield. While doing so the subject had traveled to the intersection of S. Gilbert Street and Stetson and successfully made a right turn onto Stetson. At this point the subject increased his speed and the Agents initiated a vehicle pursuit. While making the right turn onto Stetson Street a Hemet Police Department Officer by the name of (b)(6) &amp; (b)(7)(c) Badge# (b)(6) &amp; (b)(7)(c) witnessed the vehicle pursuit and engaged as the second pursuit vehicle. Agent (b)(6) &amp; (b)(7)(c) notified (b)(7)(E) dispatch of the vehicle pursuit and conditions as well as requested for a pursuit manager. At this point the subject and the Agents were traveling at approximately 50 miles per hour. The designated pursuit manager for the shift Supervisory Border Patrol Agent (b)(6) &amp; (b)(7)(c) responded as pursuit manager. The vehicle continued traveling eastbound on Stetson in the city of Hemet. Shortly after notifying dispatch of the pursuit, Supervisory Border Patrol Agent (b)(6) &amp; (b)(7)(c) advised the Agents to terminate pursuit. Immediately after the pursuit was terminated the subject unsafely made a right turn onto Cornell Street and in doing so lost control of his vehicle and collided with a tree at 27008 Cornell Street in the city of Hemet Ca. At this point Agent (b)(6) &amp; (b)(7)(c) and Officer (b)(6) &amp; (b)(7)(c) approached the subject's vehicle cautiously while identifying themselves as Law Enforcement personnel. Agent (b)(6) &amp; (b)(7)(c) approached the driver side door and attempted to open it in order to check on the subject's condition.</p> <p>Agent (b)(6) &amp; (b)(7)(c) was unsuccessful in opening the door due to a jam cause by the impact. <p>On October 04, 2011, Border Patrol Agent (b) (6) (b) (7) (C) was conducting roving patrol operations near Dulzura, California. This area is approximately twelve miles east of Otay Mesa, California Port of Entry and two miles north of the United States-Mexico International Border. (b) (7) (E)</p> <p>(b) (7) (E) Agent (b) (6) (b) (7) (C) is currently assigned to the Brown Field Border Patrol Station and was performing his assigned duties in full rough duty uniform.</p> <p>At approximately 11:00 a.m, Agent (b) (6) (b) (7) (C) responded to a citizens report of two suspected illegal entrant aliens walking north on Marron Valley Road, heading towards the general direction of the South Bay Rod and Gun club. Agent (b) (6) (b) (7) (C) drove his marked Border Patrol Chevrolet Tahoe south on Marron Valley Road when he observed two subjects walking north on the road, past an old chimney. Agent (b) (6) (b) (7) (C) noticed that both subjects appeared to be very dirty and wet, due to the rain fall that occurred in Marron Valley earlier in the morning. Agent (b) (6) (b) (7) (C) parked his vehicle and approached both individuals and identified himself as a United States Border Patrol Agent in the English and Spanish languages.</p> <p>Agent (b) (6) (b) (7) (C) then questioned each individual as to their citizenship, nationality and current immigration status. Both individuals, including one later identified as (b) (6) (b) (7) (C) (b) (6) (b) (7) (C) admitted to being citizens and nationals of Mexico. Both subjects, including (b) (6) (b) (7) (C), stated they were not in possession of proper immigration documents that would allow them to enter or remain in the United States legally. Both subjects, including (b) (6) (b) (7) (C) were arrested at 11:20 a.m. and transported to the Brown Field Border Patrol Station for processing.</p> <p>At the station, as a routine step in processing, (b) (6) (b) (7) (C) biographical and biometric information was entered into processing systems. These systems, along with record checks, revealed immigration and criminal histories under the following numbers:</p> <p>A# (b) (6) (b) (7) (C) FINS# (b) (6) (b) (7) (C) FBI# (b) (7) (E) SID# (b) (7) (E)</p> <p>On October 04, 2011, at approximately 2:25 p.m., Border Patrol Agent (b) (6) (b) (7) (C) advised (b) (6) (b) (7) (C) that he was no longer going to be voluntarily returned to his country of citizenship as he had previously requested on form I-826. Agent (b) (6) (b) (7) (C) explained to (b) (6) (b) (7) (C) that he was going to be expeditiously removed to Mexico. (b) (6) (b) (7) (C) stated he understood these facts. Border Patrol Agent (b) (6) (b) (7) (C) witnessed this event.</p> <p>On October 04, 2011 at approximately 2:30 p.m., Agent (b) (6) (b) (7) (C) elicited a sworn statement from (b) (6) (b) (7) (C). (b) (6) (b) (7) (C) stated under oath he is a citizen and national of Mexico without any legal immigration documents that would allow him to enter or remain in the United States. (b) (6) (b) (7) (C) stated he last entered the United States on October 03, 2011 at approximately 6:00 p.m., by crossing the border near Otay Mesa, California. duties on the Interstate 15 Corridor near Bonsall, California. (b)(7)(E) (b)(7)(E)		
<p>At approximately 3:30 pm the agents observed a vehicle traveling northbound on Interstate 15. Upon the subject noticing the marked Border Patrol Sedans he became visibly nervous. The subject turned away from the agents as if never seeing the agents. This action is common among people illegally present in the United States as they try to avoid detection of the Border Patrol. The agents followed the vehicle for further investigation. As the agents pulled along side of the vehicle, the speed decreased from 75 miles per hour to approximately 65 miles per hour. Also the subject removed his seat belt as he noticed the agents were following. This is also common among people illegally in the United States in order to exit the vehicle faster in the event they are stopped by the Border Patrol. The agents then initiated a vehicle stop in order to conduct an immigration inspection. As the subject's vehicle came to a stop, the driver door opened and the subject exited the vehicle in an attempt to get away from the agents. The agents gave chase and were able to apprehend the subject. The agents identified themselves as Border Patrol Agents and questioned the subject as to his citizenship. The subject freely admitted to being a citizen of Mexico. The subject was also questioned and admitted to not having any immigration documents to remain in the country legally and to have crossed at a place other than a designated port of entry. The subject was brought back to the Murrieta Border Patrol Station for Processing.</p> <p>Once the agents arrived at the station, (b)(6) &amp; (b)(7)(c) was again questioned and admitted to being a Mexican citizen without proper immigration documents to remain here legally.</p> <p>Also at the station, as a routine step in processing, (b)(6) &amp; (b)(7)(c)'s photograph, biographical, and biometric information was entered into processing systems. <p>noticed a white Lexus sedan approach their position. As the vehicle passed the agents location, they noticed it contained two occupants. Both occupants appeared to become very rigid at the sight of the Border Patrol Agents. This nervous behavior is common among aliens present in the United States illegally. The Agents pulled behind the vehicle to gain a better view of the occupants. At this point the vehicle slowed down immensely as though they were attempting to avoid drawing the attention of the marked Border Patrol sedan. The Lexus was now traveling considerably slower than the posted speed limit. The Agents recognized these behavioral indicators as common amongst aliens present in the United States illegally. The Agents continued to follow the Lexus, still monitoring the occupant's unusual behavior. At this point the vehicle began to drift from one side of the lane to the other. In the agent's experience, this behavior is common amongst individuals involved in criminal activity. This is due to the fact that they are focused on the marked unit, and are not paying attention to the road ahead. Based on their prior training and experience, the Agents became suspicious the occupants were in violation of immigration law. Suspecting the occupants of the vehicle were in violation of immigration law, the Agents activated the sedan's emergency lights in order to conduct a vehicle stop on the vehicle. The vehicle yielded on Highway 74.</p> <p>The Agents exited their service sedan, approached the vehicle and identified themselves as United States Border Patrol Agents. They asked both subjects what country they are citizens of. The driver freely and voluntarily admitted to being a citizen of Mexico. The passenger presented a valid Permanent Resident Card. The Agents then asked the driver if he had any immigration documents that would allow him to enter and/or remain in the United States legally, to which he stated he had no such documents. The driver was then arrested for being a Mexican citizen illegally present in the United States and transported to the Murrieta Border Patrol Station for processing. The passenger was released on scene with the vehicle.</p> <p>Processing/Investigation:</p> <p>At the station, a secondary immigration inspection was performed on the subject. He again freely admitted to being a citizen of Mexico without possessing any legal immigration documents. He further admitted to entering the United States through the desert in California and that he was never admitted or inspected by any official of the U.S. Government.</p> <p>Also at the station, as a routine step in processing, the subject's, photograph, biographical, and biometric information was entered into processing systems. <p>roving patrol duties in the Fallbrook/De Luz area on the 6am to 2pm shift. At approximately 7:50am, Agent (b)(6) &amp; (b)(7)(c) and I were traveling south on Olive Hill Road in Fallbrook, CA in a fully marked Border Patrol sedan when we observed a red two-door sedan pass by traveling in the opposite direction. Both Agent (b)(6) &amp; (b)(7)(c) and I observed two individuals inside the vehicle and noticed that they both appeared surprised and shocked upon seeing our vehicle. This behavior is typical of undocumented aliens when they see a Border Patrol vehicle in an area that they weren't expecting to see one. (b)(7)(E)</p> <p>(b)(7)(E)</p> <p>(b)(7)(E)</p>		
<p>In order to get a better look at both the vehicle and its occupants, I made a u-turn and began to catch up to the red sedan. The vehicle began to increase its speed once we finally caught up to it traveling north on Olive Hill Road. The vehicle then made a sudden left turn onto Morro Hills Road. This type of elusive maneuver is commonly made by drivers in an attempt to avoid detection and abscond from Border Patrol Agents. The vehicle then began to increase its speed as if to try and out run us in an attempt to abscond. It was at this time that Agent Pinones and I performed a vehicle stop on the red sedan in order to perform an immigration inspection. The vehicle safely yielded on San Jacinto Circle West without incident.</p>		
<p>Agent (b)(6) &amp; (b)(7)(c) and I approached the vehicle and identified ourselves as Border Patrol Agents. Agent (b)(6) &amp; (b)(7)(c) then questioned the driver, later identified as (b)(6) &amp; (b)(7)(c), as to his citizenship. (b)(6) &amp; (b)(7)(c) freely admitted to being a national and citizen of Mexico, as well as not in possession of immigration documents to be or remain in the United States legally. (b)(6) &amp; (b)(7)(c) freely admitted to being a national and citizen of Mexico. (b)(6) &amp; (b)(7)(c) provided a valid and current Mexican Consular Identification Card proving in fact that he is a Mexican citizen. (b)(6) &amp; (b)(7)(c) also admitted that he had entered the United States at a place not designated as a port of entry and that he was not inspected or admitted by any official of the United States government. The Agents were in full uniform and issued a marked service sedan with all emergency equipment fully functional. (b)(7)(E)</p> <p>At approximately 8:00 a.m. the Agents were at a traffic signal at the intersection of Old Highway 395 and Mountain Meadow Road. The Agents observed a Blue Toyota Pick up-truck CA# (b)(6) &amp; (b)(7)(c) passing their location with three occupants in it. Two of the occupants in the vehicle when passing the Agents location were sitting in a statuesque staring straight ahead. These observable actions are common behavior demonstrated by illegal aliens attempting to avoid apprehension from Border Patrol Agents. At this point the Agents attempted to conduct a vehicle stop.</p> <p>As the vehicle began to stop, all of the occupants exited and began to run. Believing the fleeing suspects to be illegal aliens, the Agents exited their vehicle and gave pursuit. Agents apprehended two of the three subjects. At this point the Agents identified themselves as Border Patrol Agents and gave both subjects an immigration inspection. Both subjects stated that they were citizens of Mexico and did not have immigration documents. (b)(6) &amp; (b)(7)(c) also stated that he had entered the United States through the mountains near Nogales Arizona. This is not a port of entry. Based off the results of the inspections, the subjects were arrested by the Agents for being present in the United States without admission or inspection. The subjects were then transported to the Murrieta station for processing. The vehicle was not a traffic hazard and belonged to the driver of the vehicle who was not apprehended subsequently the vehicle was secured and left on scene.</p> <p>PROCESSING</p> <p>At the station, the subject (b)(6) &amp; (b)(7)(c) was again questioned as to what country he was a citizen of to which he again stated that he was a citizen and national of Mexico. The subject also stated that he did not have any immigration documents. (b)(6) &amp; (b)(7)(c) was advised of his right to contact the Guatemalan Consulate to which he declined.</p> <p>As a routine step in processing, (b)(6) &amp; (b)(7)(c) was entered into the stations processing system. Rainbow Ca. 1 of 2  Narrative by BPA (b)(6) & (b)(7)(c)  On Tuesday, February 28, 2012, BPA (b)(6) & (b)(7)(c) and I, members of the (b) (7)(E) (b) (7)(E), were assigned roving patrol duties along the Interstate 15 corridor. These duties were to assist and support the day-shift operation of the I-15 checkpoint that is located south of Temecula, California. We were in an unmarked service vehicle that had fully functioning emergency lights and siren and were in clothing that fully displayed Border Patrol insignia and badging.  As the checkpoint was going operational, Agent (b)(6) & (b)(7)(c) and I were observing traffic at the intersection of the Rainbow Valley Blvd and Old Highway 395. This intersection is adjacent to Interstate 15 and is the last exit before the Border Patrol Checkpoint. (b) (7)(E) (b) (7)(E) (b) (7)(E)  At approximately 9:45 am, we observed a gray Nissan 2dr (CA (b)(6) & (b)(7)(c)) coupe stopped on the Rainbow Valley Blvd overpass. There were two visible subjects in the car and were stopped in a way that looked as if they were going to turn on to the northbound onramp. The left turn signal was on. However, we observed the subjects talking amongst themselves and keep pointing in the direction of the checkpoint. There was no traffic on the overpass that would keep the subjects from turning on to the onramp, but they continued to sit in the lane.  This is a common reaction of illegal aliens and/or smugglers when trying to decide if they are going to continue north through the checkpoint or not. After several moments, the vehicle continued across the bridge to the intersection of Highway 395 and Rainbow Valley Blvd, they did not turn on to the freeway. At the intersection, we observed again that the

<p>subjects were talking amongst themselves and pointing north up Hwy 395. The Border Patrol checkpoint on Hwy 395 was operational as well and is easily observed from this intersection.</p> <p>Instead of turning north, the vehicle continued east into Rainbow, Ca. This action again is very typical of people trying to avoid Border Patrol inspection and possibly trying to circumvent the checkpoint. As the vehicle passed, and believing the vehicle contained illegal aliens, we got in behind it in order initiate a stop and perform immigration inspections on the occupants. We activated our vehicle's emergency lights and the suspect vehicle immediately pulled over.</p> <p>Agent (b)(6) &amp; (b)(7)(c) approached the passenger, identified himself as a Border Patrol Agent and conducted an inspection. During the initial inspection, the passenger freely admitted to Agent (b)(6) &amp; (b)(7)(c) that he was a citizen and national of Mexico, illegally present in the U.S.</p> <p>I inspected the driver and determined that he was a U.S. citizen however he had an illegal alien in his car. Both subjects were arrested and transported to the Murrieta station for additional inspection and investigation.</p> <p>At the station, both subjects were re-inspected and interviewed to determine if there was furtherance for profit. The driver, identified as (b)(6) &amp; (b)(7)(c), was determined to be a U.S. citizen and he claimed that his passenger, (b)(6) &amp; (b)(7)(c), and he were going to a job (painting) in Temecula, Ca.</p> <p>(b)(6) &amp; (b)(7)(c) had approximately \$6,550.00 in his possession which he stated he received for working and not from any illegal activity. (b)(6) &amp; (b)(7)(c) stated that he and (b)(6) &amp; (b)(7)(c) worked for the same company and that he did not know of (b)(6) &amp; (b)(7)(c) immigration status.</p> <p>(b)(6) &amp; (b)(7)(c) stated that the money came from a recent job and that he did not receive any money for transporting (b)(6) &amp; (b)(7)(c)</p> <p>Agents determined through subsequent interviewing of (b)(6) &amp; (b)(7)(c) and (b)(6) &amp; (b)(7)(c) that there was no transportation for profit and no furtherance. (b)(6) &amp; (b)(7)(c) (b) (7)(E) (b) (7)(E) (b)(6) &amp; (b)(7)(c)</p> <p>was processed on form I-44 and was released from Border Patrol custody with his car, cash, and belongings at approximately 12:30 pm.</p> <p>(b)(6) &amp; (b)(7)(c) was re-inspected about his immigration status and again he freely admitted to being a citizen and national of Mexico illegally present in the U.S. (b)(6) &amp; (b)(7)(c) stated that he has been in Vista, Ca. for approximately 6 months and that he had illegally entered the U.S. without being inspected or admitted by any immigration authority. (b)(6) &amp; (b)(7)(c) stated that he has never applied for any immigration documents and that he does not have any cases or hearings pending. (b)(6) &amp; (b)(7)(c), (b) (7)(E) (b) (7)(E)</p> <p>(b) (7)(E)</p> <p>(b)(6) &amp; (b)(7)(c) asked for and was granted a Voluntary Return to Mexico.</p>
